

MSSMegaGold GMGS SoundFont SFKR

MSSMegaGold GMGS, is a compressed soundfont in proprietary "sfkr" format. With this version we have respected as much as possible the GMGS Roland SC88 table, this has allowed us to provide a good travel companion, and to perform all musical genres with great audio quality using our own MIDI files.

Features:

- GMGS "*sfkr*" format
- 1.3 GB of unzipped space
- 128 GM Presets
- 643 GS Presets + 3 SFX
- 022 GM Drum and Percussion Set
- Windows environment
